

# Avio Business Unit

# About us

- Levorato Marcevaggi Srl is a company that has more than 70 years of experience in the field of transportation of dangerous goods holding more than 250 means of transportation and 80 employees.
- Since 2011 it took over also the aviation field by providing storage and into plane services for the most important fuel companies and by fueling major national and international airlines.

# Our Services

- By means of the Enac certification, which was given in March 2011, our company is allowed to provide storage and fueling services in two important Italian airports:  
“Marco Polo” International Venice Airport  
“A. Canova” Treviso Airport
- Our truck parking lot is provided with 8 modern fuel trucks, with a capacity of 42000 and 65000 liters, electronic head, platform and a double fuel hose in order to provide fuel to any kind of aircraft.
- Our activity provides services to main Italian and international airlines and to private flights offering the possibility of payment services with ATM and credit cards; our service is available 24 hours compatibly with the authorization given by the airport.

# Our Focus

- The compliance with security and quality standards guarantee our customers the best service.
- Our procedures are constantly updated in conformity with JIG Guidelines (Guidelines for Aviation Fuel Quality Control & Operating Procedures).
- Our company is certified ISO ENI UN 2008 since 1996.

# Our Strength

- Our wide experience in the transportation field has brought us to develop a more particular attention and care for the maintenance and perfect efficiency of our means of transportation, in order to guarantee our customers the best service possible.
- HSE Policy – Since 2004, our company's procedures are subject to a firm HSE policy and to a constant preparation of our employees, based and focused on the maintenance of the high standards that we've reached.
- Quality – JetA1 quality check is one of the activities for which we guarantee high international standards as well as a multitude of inspections by major international airlines, all of which were passed with success, confirming our care for the maximum respect of all necessary procedures.
- Autonomy – Levorato Marcevaggi doesn't directly trade JetA1, which leads the company to be autonomous in offering storage and into plane services.
